PP&E Sales reserve the right to suspend or terminate a bidder's participation in a sale or any future sales as a result of any of the following:

SALE CONDITIONS

By bidding you have agreed to all Terms & Conditions contained within this site. Familiarise yourself with any additional conditions relevant to particular sales.

- a) All assets are offered for sale "AS IS". If an inspection is available by appointment, we recommend you undertake an inspection. Assets for which an inspection is not available, by bidding you accept the asset "AS IS". Photographs and descriptions are provided as a guide.
- b) Be certain of your bid as it cannot be cancelled once it is processed in our system. PP&E Sales are not under any circumstances obliged to waive, or accept a request to waive a bid
- c) When you are the successful bidder, you are liable to pay the winning bid plus the 10% Buyer's Premium and GST. All lots are sold exclusive of Buyer's Premium and GST. That is, you bid \$100 plus 10% Buyer's Premium = \$110 plus 10% GST = \$121 in total.

BIDDING

PP&E Sales may determine a minimum bid price on all lots. Bidding will increase in predetermined increments. You may bid using the normal method or use the Auto Bid function.

By using Auto Bid, you are submitting the highest bid you wish to pay, and PP&E Sales will bid automatically on your behalf up to and including your highest nominated bid. PP&E Sales cannot increase a bid without your permission, and you should therefore monitor the auction when using the Auto Bid facility.

Please note that all winning bids attract a Buyer's Premium of 10% and are exclusive of GST. Therefore, you bid \$100 plus 10% Buyer's Premium = \$110 plus 10% GST = \$121 in total.

The auction closes at the nominated time when there have been no bids for the last ten minutes of the auction. If there has been a bid within the last ten minutes, the auction closing time will be extended and will continue until there is no bidding activity for ten minutes.

The winning bidder will be notified by email, however even if you do not receive the notification please contact us.

PAYMENT

Payment must be made within 24 hours of completion of the auction by electronic funds transfer (EFT) into the PP&E Sales Trust Account and remittance sent to info@ppesales.com.au with your Bidder Number as a reference.

Receipt of cleared funds for full payment is required prior to collection.
